COMPLIANCE ISSUES OR QUESTIONS?

The current versions of *NCGS 85B* and *21 N.C.A.C. 04B* can be accessed on the Board's website by visiting <http://www.ncalb.org/lawrules.cfm>. Also on the Board's website, there are practice tips and other compliance items available on the Resources/News page. That direct link is <http://www.ncalb.org/practice-tips.cfm>.

Licensees (and members of the public) are invited and encouraged to contact NCALB staff at (919) 567-2844 or info@ncalb.org for information regarding auctioneering laws and rules. Inquirers are always advised that NCALB staff cannot give legal advice, and that any information that staff conveys is not legal advice, nor is it binding on the Board. Still, staff can generally discuss what the laws and rule contain, and callers can then use that information to help them make their own operational decisions.
